The Milwaukee® FASTBACK™ Flip Utility Knife features 1-handed press-and-flip operation for 3X faster opening. Maximize productivity on the jobsite with the utility knife that easily activates with one hand. Tool-free blade changes let you make adjustments quickly and efficiently. The slim, lightweight, all-metal body takes up less space but stands up to jobsite abuse. The ergonomic shape gives you outstanding control. A wire-form belt clip makes it easy for you to store the knife on a belt or in a pocket without fraying the fabric. An integrated gut hook and wire stripper increase the knife's utility.

Backed by a limited lifetime warranty, this FASTBACK knife confirms Milwaukee’s commitment to best-in-class durability and innovative solutions for increased productivity.
