The Milwaukee Advantage

Designed to maximize the cutting performance of the new M12 HACKZALL™ Reciprocating Saw, these blades feature a thin kerf design that reduces the amount of drag and resistance while cutting, resulting in more cuts per battery charge. Specialized blades are available for a variety of HVAC, electrical, plumbing and maintenance/repair applications. Includes 5 blades.

Features

Thin kerf for up to 35% more cuts per charge vs. leading reciprocating saw blades.

Short blade length for cutting in tight locations.

Bi-metal construction for increased tooth durability and long blade life.

Cuts EMT (thin wall conduit).

Includes

- Includes 5 blades
