3000 Series Glow in the Dark Number and Letter Labels

3000 Series Glow in the Dark Number and Letter Labels

Part Number: 3000-0

Text Legend: 0

OVERVIEW SPECIFICATIONS

OVERVIEW

This B-309 material is a high intensity presmatic reflective sheeting with photoluminescent material backed with pressure sensitive adhesive.

- Ideal for use in general permanent labeling indoors and in severe outdoor environments.
- Special acrylic adhesive adheres strongly making marker removal difficult
- Ultra-reflective technology allows for maximum visibility from a greater distance than standard vinyl

SPECIFICATIONS

Brady Material Number	B-309
Cards or Sheets per Pack	10
Character Height	2 in

(in/ft/yd)	
Dimensions	2.375 in H x 1.5 in W
Display UoM	Pack of 10 Each
Indoor or Outdoor Use	Indoor/Outdoor Use
PSPA Photoluminescence Class	Photoluminescent
Product Number	50842
UPC	754473033194
Quantity per Card or Sheet	1
Adhesive Type	Permanent Acrylic
Applications	Labeling in Low Light Conditions
Color	Black/Green Glow on Silver
Label/Media Format	Die-Cut on Cards
Material	Vinyl
Material Properties	Glow-In-The-Dark Border
Reflective Type	High-Intensity Prismatic (HIP)
Resistance Properties	Abrasion-Resistant, Chemical-Resistant
Text Legend	0
