Bilingual (English - French) (HC-438FB)

Collection: Recessed Lighting

New construction airtight IC housing with GU24 lamp base. Includes an 18 watt compact fluorescent lamp in a variety of open trim options. For shower applications, use 1154AT-14 open baffle shower trim and check local codes. ENERGY STAR® qualified.

IC housing is approved for use in direct contact with insulation

Housing adjusts vertically for various ceiling thicknesses

Break-away bar hangers easily extend and will not fall out of plaster flange, providing sturdy installation

Snap-In Socket locates lamp in optimum location

No clips required. Secure bar hanger to T-Bars with wires or screws

Tab to locate on bottom of joist

Meets airtight requirements for 2.0 CFM or less air leakage

Junction box with integral romex connector, quick push and lock connector and through circuit wiring with 4 in, 4 out #12 wire, saves installation time.

The hinged junction box door allows full access for wiring while remaining attached to the recess housing

Tighten screw to lock bar hangers in place

Integral captive nails included and positioned for fast, easy installation

One piece sealed trims. No light leaks

UPC #:785652236594
