

## SPILL CONTROL

### Universal Absorbents:

- Everyday sorbent that absorbs all fluids
- Includes perforations so you can tear off as much as you need
- High performance, much greater than clay, rags or paper towels
- Three-ply construction for added strength and durability

Item#	Description	Count
<i>Sorbent Pads &amp; Rolls:</i>		
<b>Gray Universal</b>		
FYTU3PH150	30"x150' Three-Ply Heavyweight Roll	1/Bag
<b>White Oil Only</b>		
FYT01PH100	15"x18" Single-Ply Heavyweight Pad	100/Bag
FYT03PH100	15"x18" Three-Ply Heavyweight Pad	100/Bag

### Oil Only Absorbents:

- Absorbs all petroleum-based liquids including oil, gasoline, kerosene and diesel fuel
- Naturally repels water making them ideal for outdoor applications
- Literally floats on water to absorb surface oil
- Perforated

Spills happen and liquids leak, be prepared with absorbent pads and rolls from State Electric and FyterTech Nonwovens! Keep your facility clean, safe and in compliance.
