

EATON - METALUX® AP SERIES

DESCRIPTION

SHPLD is a durable, versatile LED shoplight suitable for a wide variety of applications. This suspended product line comes fully assembled with an easy on/off pull chain and 5 ft cord plug set. This high quality luminaire offers the latest LED solid state lighting and electronic driver technology for optimal performance and energy efficiency. With fully integrated LEDs, these shoplights require no lamps to install or replace and is covered by a comprehensive five year warranty. Similar to a 4 ft. 2 lamp fluorescent fixture, it is ideal for most any task or portable lighting applications.

SPECIFICATION FEATURES

Construction

Housing consists of impact resistant acrylic. Ends formed using a high-impact polymer plastic for finished design. Suitable for suspended mount applications. The frost white lens creates uniform illumination. Includes 36 inch hang chain and two "S" hooks for suspending at various heights.

Electrical

Long-Life fully integrated LED system coupled with low wattage 120V electronic driver to deliver optimal performance. 80 CRI and bright white 4000K Color Temp creates excellent rendering for task oriented applications. The SHPLD series offers a standard, 3200 and 2200 lumen packages.

Compliance and Reliability

cULus 153 listed for dry locations. Five year comprehensive warranty. LED's projected life of 50,000 hours at 70% lumen output. Energy Star Certified.
