

COOPER CROUSE-HINDS®

## FORM 7, FORM 8 AND MARK 9 CONDULET® COVERS WITH INTEGRAL GASKET

Cooper Crouse-Hinds® Form 7, Form 8 and Mark 9 covers with integral gasket are ideal for all industrial indoor and outdoor applications. The integral gasket simplifies installation and reduces inventory and labor costs. The wedge-nut clip design on the Form 7 covers makes cover installation and removal fast and reduces labor costs associated with re-tapping damaged screw holes. Form 8 and Mark 9 covers have stainless steel screws for direct assembly to the conduit body. All covers with integral gasket are UL listed and CSA certified and meet Type 3R raintight requirements.

*Now available for Form 7, Form 8  
and Mark 9 conduit bodies.*
