

SPLICE KITS

LIGHTING POSTS

SK830 UL Listed UF Splice Kit

- 14 to 8 gauge copper wire rated to 600V.
- For direct underground burial of UF wire.
- Includes 4 conductor splice connector.
- Includes the UL listed shrink tubing required for application.
- Unit is the FIRST UL listed Splice Kit for direct underground burial UF type wire.

SK841/SK842 UL Listed Connector System

SK841 - 8 to 2 gauge cu/al wire rated to 600v.

SL842 - 1 gauge to 250 MCM cu/al wire rated to 600v.

- Includes single conductor mechanical connection.
- Includes UL listed shrink tube required in making connector system splice.

SK831 UL Listed Underground Splice Kit

- 8 to 2 gauge copper/aluminum wire rated to 600V.
- For direct underground burial.
- Includes single conductor mechanical connector.
- Includes UL listed shrink tubing required for splice.
- Unit is First UL listed Splice Kit for direct burial for 8 to 2 gauge Cu/Al wire.

Shrink Tube

ST Series Shrink Tube

- 4" sections.

ST-48BP Series

- 4' sections blister carded.

Shrink Tube Display STDPY

- Free standing shrink tube display.
- Thin wall 600 volts, UL listed CSA recognized polyolefin tubing.
- Easily shrinks with heat gun, propane torch or lighter.

SK832 UL Listed Underground Splice Kit

- 1 gauge to 250 MCM Cu/Al wire rated to 600V.
- For direct underground burial.
- Includes single conductor mechanical connector.
- Includes UL listed shrink tubing required for splice.
- Unit is First UL listed Splice Kit for direct burial to #1 to 250 MCM Cu/Al wire.

S11 Portable Butane Soldering Iron/Torch

- Uses ordinary butane gas cartridge refills.
- 60 minutes continuous operation time
- 20 seconds heating time.
- Adjustable temperature up to 400 degrees C.
- Built in ignition.

LS903 "proPost"™ Lighting Posts

- 3"OD x 18", bushing.
- Grounding strap for 3 wire lighting applications.
- Aluminum octagon shape.
- Easy grid assembly.
- UL listed.
- Made in U.S.A.
- Available colors: White, Black, Verde, Sand, Granite

LS903D

- Display Rack Merchandiser
- Holds 30 proPosts any color.
- Stackable up to 2 high.

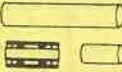

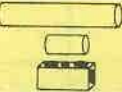

LS900 Lighting Post

- This revolutionary lighting post eliminates the need for steel risers and unattractive weatherproof boxes.
- 3" OD 2 1/2" ID heavy wall PVC pipe.
- 20" high
- 1/2" threaded plastic hub to handle most 3 wire lighting applications.
- Slanted bottom to accept conduits of different depths.
- Grid stabilizer eliminates the need for concrete.
- Available in white, black, verde green
- Made in U.S.A.
