

9" Slim Pliers Heavy Duty Side-Cutting

ENLARGE +

Cat. No. D2000-9NE

Product Features

- ▶ Cuts ACSR, screws, nails and most hardened wire
- ▶ High-leverage design. Rivet is closer to the cutting edge for 46% greater cutting and gripping power than other plier designs
- ▶ Induction hardened cutting knives for long life
- ▶ Hot-riveted joint ensures smooth action and no handle wobble
- ▶ Streamlined design with sure-gripping, cross-hatched knurled jaws
- ▶ Unique handle tempering helps absorb the "snap" when cutting wire
- ▶ Precision-hardened plier head for on-the-job toughness
- ▶ Custom, US-made tool steel
- ▶ Plastic-dipped handles for comfort and ease of identification
- ▶ "Handform" handles for full gripping and cutting power
- ▶ Features combination polished and black-oxide finish
