

CH

The Original CH multi-purpose Strip Lights are offered in a variety of sizes and lamp configurations for a custom lighting design. Patented, laborsaving, flip-up sockets simplify installation.

Project _____
 Catalog Number _____
 Type _____
 Date _____

HOUSING Die-formed heavy gauge steel with high-gloss, baked white enamel finish over rust inhibiting phosphate coat with removable wireway access panel. Ample knock outs provided on side, back and ends. Shipped fully wired and assembled, including socket saddle. Simply flip up socket bar and attach wireway cover with turn fastener provided. Machine installed shunts eliminate loose socket bar connections on electronic strips.

OPTIONS Modular wiring, white or silver asymmetric or symmetric reflectors, and emergency lighting battery packs are available options.

ELECTRICAL Fully wired Universal 120-277V, 50-60Hz operation with thermally protected, automatic resetting Class P, sound rated A ballast as standard unless otherwise specified.

MOUNTING Combination end plate/joiner connect units for continuous row or wire through, use CHJ. Optional plug-in wiring system available.

LISTINGS C-UL-US Listed damp location.

WARRANTY 1 year limited warranty.
